Terms and Conditions of Enrolment

Course materials

Course materials and online access are included in the course fee. They are exclusively for use by enrolled students and are subject to normal copyright conditions.

Fees

Payment of fees, or an acceptable payment plan, is essential to complete your enrolment and to participate in your chosen course. We reserve the right to withhold the issue of qualifications if any fees are unpaid at the end of your course.

Payment Plan

A payment plan is available, involving a \$950 deposit at enrolment, with the balance of fees paid in ten (10) equal instalments at monthly intervals via your credit card or bank account.

Overseas enrolments

A surcharge of \$200 will be added to course fees for students studying from outside Australia.

Candidature

Maximum periods of candidature are outlined on our website – we encourage you to complete within a shorter time that suits your personal circumstances and will monitor your progress throughout your candidature. You can apply for an extension in extenuating circumstances – fees will apply. Contact us for details.

Employer invoice

If your employer is paying for all or part of the course fee, please provide a letter or purchase order from your employer to indicate their acceptance of the cost and terms of enrolment.

Authority to report to employer/sponsor

If your enrolment has been organised, subsidised or supported by your employer or other sponsor, your signature in the Declaration authorises us to provide information relating to your enrolment and study progress to that person or organisation.

Minimum requirements

Basic numeracy and English literacy skills are required. The assessment tasks are work-focused, so it is important to be working in an appropriate workplace or project environment.

Transfers from distance to a face-to-face option

Students enrolled in the distance option may transfer to workshop or tutorial options on payment of the balance of course fees due, plus a \$150 transfer fee. This option will be limited by places available in the desired workshops.

Withdrawal and Refund policy

Should you need to withdraw from enrolment early in the course of study, a partial refund may apply. Please write to us providing details of your student number, the course enrolled and the special factors to be considered (preferably documentary evidence, such as medical certificates, etc.). Refunds do incur an administrative fee and will only be considered in the following circumstances:

- **For programs incorporating 'workshop' sessions**

Notification of withdrawal from courses with a workshop or tutorial component must be received by us at least eight (8) days prior to commencement of the first session; our administrative fee is 50% of the full course fee. Withdrawal seven (7) or fewer days prior to course commencement will not be refunded, but substitutions are allowed.

We reserve the right to alter the arrangements for workshops or tutorials before or during the course, depending on enrolment levels. We will inform you of any such changes as quickly as possible.

You will be responsible for your own costs of travelling to workshop days, including any transfer, cancellation or similar fees for your booking(s).

- **Distance education programs**

A cooling-off period of 21 days from the date of enrolment applies; our administration fee is 15% of the full course fee. Requests received after the 21-day cooling-off period will only be considered under exceptional circumstances.
